

ST. STEPHEN'S C of E SCHOOL, TOCKHOLES

Newsletter to Parents 16th September 2011

Dear parents

Thank-you to those who have replied to the questionnaire on how we could improve our school (2 families). Your views are important to us so please send in your ideas for the coming year(s).

Please remember that the school car park is not to be used for parent parking or turning due to Health & Safety, except those with special permission for medical reasons. Children are not allowed on the car park. May I also remind parents that our healthy eating policy extends to packed lunches as well as school meals. Crisps, biscuits, sweets, cake, fizzy sugary drinks, chocolate or chocolate products are only allowed as treats on Friday.

I hope those who attended Working Memory training yesterday found the session useful. Your feedback would be appreciated. I think you will agree many of the games and strategies suggested would be beneficial to all children, not only those experiencing difficulties.

All Junior children have been registered on to a numeracy practise website to further and consolidate skills. Please encourage them to access sumdog.co.uk.
