Newsletter - Autumn 1

Dear parents and carers

Welcome to our first newsletter from the new School Council. We will be producing a newsletter every half term to bring you information about our news and events.

We would like to thank our old School Council for all their hard work during the last academic year.

Our first charity event will be the Macmillan Coffee Morning on Friday the 29th September, from 8.45 am.

Please come along and enjoy a coffee or tea, a cake and a chat.

We will be planning our next event later in the autumn.

We look forward to welcoming you into school.
